

North Carolina State University DELTA Lands O'Connell

Cary, NC-based, national male voiceover talent narrates for the state's largest university

RALEIGH, NC, August 22, 2019 - - North Carolina State University's DELTA program (Distance Education and Learning Technology Applications) advances the integration and support of learning technologies in NC State's academic programs, both on the campus and at a distance.

As part of that objective and for the program's new educational media presentation on statistical analysis, NC State's DELTA program secured voiceover talent Peter K. O'Connell as the narrator. A natural-born storyteller, O'Connell has been a sought-after male narrator for many top corporate and educational organizations including the U.S. Army, IBM, General Electric & Deloitte.

About DELTA at NC State

DELTA's role is to foster the integration and support of learning technologies in NC State's academic programs, both on the campus and at a distance. DELTA coordinates the funding and production of all distance-based credit programs and courses for the university. DELTA promotes high-quality education by extending the reach of the faculty and collaboratively applying expertise in technology and pedagogy in an efficient, effective and service-oriented environment.
