

## PRESS RELEASE

FOR IMMEDIATE RELEASE

### **Toronto, Miami and Western New York Productions include audio'connell Voice Over Talent**

BUFFALO, New York, June 9, 2006 - - Commercial, corporate narration and internet based training were some of the featured uses of recently completed audio'connell Voice Talent productions. Some of these productions are featured in audio and video demos posted on the company's web site, [www.audioconnell.com](http://www.audioconnell.com).

A few of the featured productions recently completed by audio'connell Voice Talent included:

- Providing the Greater Toronto area's premiere training suppliers with the inside track on training opportunities, Toronto-based **Last Minute Training** has engaged audio'connell Voice Talent to provide voiceover services for their on-line training and podcasts for current and prospective customers.
- Miami-based internet company **Shoutage.com**, with affiliates in the Netherlands, Australia and Caracas utilized audio'connell Voice Talent for the second in a series of hard driving, edgy promotional audio segments for the company's member-based website.
- An award winning multi-media design and consulting firm, **Albarella Media** included audio'connell Voice Talent as the narrator for the company's most recent client video presentation.
- During the post-production of their recent television campaign, **Prime Promotions**, the promotional products division of Prime Source, Inc. employed audio'connell Voice Talent as the featured voice.
