audio'connell Voice Over Talent Pumps Up the Radio Imaging for Energy 107.9

Station Voice Kara Makes Certain That Florida Radio and Internet Listeners 'Dance Do It!'

PALM BAY, FL, July 30, 2011 -- Two unique ways radio stations cut through the cluttered airwaves and attract new listeners include providing outstanding music and also by featuring radio imaging that energizes and connects to the target audience. With the introduction of the state's newest radio station, Florida listeners have found what they were looking for – Energy 107.9, with radio imaging produced by audio'connell Voice Over Talent.

Jan Julian, Program Manager of WNRG-LPFM called on audio'connell Voice Over Talent for imaging production services, secured audio'connell female voice talent Kara as the station voice and came away with the perfect sound to launch Energy 107.9 in the minds of the station's listeners. The station, nicknamed "Energy Dance Mix, also broadcasts on 103.3 FM in Palm Bay, Florida and 103.3 FM in Cocoa Beach, FL. The station can also be heard worldwide on the web at www.energydancemix.com

The Energy 107.9 station liners, ID's and promos were produced in the studios of audio'connell Voice Over Talent by company president and voice talent Peter K. O'Connell.

audio'connell Voice Over Talent voiceover productions have been heard around the world in retail commercials for radio and TV, medical narrations, infomercials, political commercial voiceovers, TV network promos, radio station imaging, e-learning narration projects (computer-based training, internet-based training and web-based training), public service announcements, message on-hold as well as other video and media productions.
